

Dear Sirs,

We will be happy to offer you our experience, professionalism and special study conditions for corporate clients, if you want us to teach Serbian to your employees in the quickest and the most effective way!

We teach all levels – from A1 to C2 – both individually or in mini-groups at your office or at our school. Our effective curriculum was developed by the teachers, who specialize in curriculum formation from Moscow in cooperation with their colleagues from Belgrade. It's based on the newest school-books from Belgrade and Novi Sad Universities as well as on the original teaching methods of the Razgovor's language center teachers. Besides the general course of the Serbian language, we are ready to offer every corporate client a course in Serbian business language, and also the study courses especially developed in line with the specific area of expertise of the company's or its subdivisions.
